

# 16th Annual King Mackerel – Harker’s Island 2015

## Tournament Dates and General Rules

October 5-9, 2015

You may fish 4 of 5 days. This is for all of the tournaments below. You must declare 1 layday by 7am and notify the weigh master (Chris Linetty) or you will be considered fishing that day. Fish must be weighed the day caught. You must determine which fish you will weigh, the chapter will not determine for you on the official scale. The fish must be brought to the scale directly from the boat. Boat Captain must be a current Frederick MSSA member.

## Daily Tournament

Winners: Heaviest King Mackerel each day. One winner per day.

Rules: In case of a tie, money will be split equally. Limit 1 fish per day. If there is no winner (no one checks a fish) then the money will be split equally over the remaining days. If there is no winner on Friday, a drawing will determine the winner.

## Weekly Tournament

Winners: 1<sup>st</sup> (50%) 2<sup>nd</sup> (30%) and 3<sup>rd</sup> (20%) will be determined by the total weight of 4 fish.

Rules: Limit of 2 fish per boat per day for weigh in. Your first 4 fish are weighed in for free. Each additional fish will cost \$10 to replace one of the original fish if it is heavier. The \$10 for additional fish will go into a pot for a drawing at the meeting of any boats not winning a prize. You must be present to win. In case of a tie, prize money will be awarded to the boat weighing in on the earliest day. In case of a tie on the same day, prize money will be split equally.
